**ORIGINAL ART IS AVAILABLE TO BUY!  
BUT NOT FOR LONG**

If there's a drawing of Raymondo Person standing next to a tree, or some other thing, and waving at you that you're especially fond of, you may be able to buy the original artwork, either as-is, or **beautifully painted with watercolours by the artist**. The artist is properly famous and all. All the drawings are being made available, and at prices so low it causes the artist physical pain – so don't hesitate overmuch because they are sure to sell like chocolate hotcakes with golden tickets, probably.

**THANK YOU, JEREMY!**

(Apologies if your name isn't Jeremy. But if it is, that was worth it.)
